iris s installer will automatically download and install iris and sodium for great graphics at smooth framerates simply run the installer choose your version and hit install

iris improves the way that minecraft renders entities and block entities like chests pigs and item frames this trick even works with shaders disabled and in worlds with a lot of entities it can boost vanilla

iris was created to fill a void that i saw in the minecraft customization and graphical enhancement community the lack of an open source shaders mod that would let me load my favorite shader packs
